

# Maximizing Your Raised Garden 4

## The Fall Garden Wrap-up, Winter Gardens & Prepping for Spring

### The Armstrong Court Community Organic Garden

(OFF HAMILTON AVENUE, GREENWICH)

**SUNDAY, OCTOBER 19**

**11:00 AM - 12:30 PM**

**(RAINDATE: SUNDAY, OCTOBER 26)**

This class will cover the basics for putting your garden to rest for the winter, such as soil testing, cover cropping, and in case you're adventurous—*horticulturist and educator, Alan Gorkin*—will demonstrate simple techniques for season extension of hardy crops. And if you don't plant anything else this year, don't fret—the knowledge will still be there for next year!

In addition, Alan will demonstrate how to plant garlic, shallots and egyptian onions and go over what to do with the crops that you continue to grow, or harvest now and store.

*A sampler of garlic & shallots will be available for students to purchase after class.*

**SUGGESTED DONATION**
